EXPERIENCE

Sacramento Business Journal

Sacramento, Calif.

Lead Designer | May 2018 – Present

- Designs 24-40 pages of content each week, including A1, business news, opinion, infographic and photo pages for the weekly newspaper
- Designs and art directs special sections for both print and online, collaborating with the photographer and editors
- Conceptualizes the front page design and corresponding inside layout to create a cohesive story
- Designs the web presentation and interactive graphics for each cover story to correspond with the print presentation
- Creates graphics and GIFs for social media
- Writes headlines, decks, fact boxes and display type

The Virginian-Pilot

Norfolk, Va.

Design Intern | May 2017 – August 2017

- Designed A1, news, sports, features, business and home pages for the daily paper by collaborating with other designers and the director of presentation
- Created illustrations for select articles to interest readers and enhance understanding of the subject matter
- Designed pull quotes and graphics for Twitter and templates for Instagram stories to create a cohesive design uniting print and digital styles

Elon News Network

Elon, N.C.

Design Chief | April 2015 – March 2018

Design Editor | September 2014 – April 2015

- Managed and lead a group of 10-12 designers, teaching proper design techniques and specific design styles
- Conceptualized and designed the front page of every edition, and edited and critiqued all pages before the newspaper went to print
- Coded webpages and interactive infographics for online articles
- Designed cohesive social media templates, graphics and GIFs to promote articles and upcoming editions
- Maintained design styles and guides created for a complete newspaper redesign, which included new layouts, fonts and infographics

WatchGuard Technologies

Seattle, Wash.

Marketing Intern | June 2016 – May 2018

- Designed infographics, banners, advertisements and T-shirts
- Developed themes, concepts and designs for logos and webinars
- Photographed and edited WatchGuard executive team headshots

Society for News Design

Elon, N.C.

Student Blogger | January 2017 – Present

- Brainstormed and wrote articles on a variety of topics, including design inspiration, the stages of news production and more
- Curated the top five things to read and see in news design each week
