The inauguration of Donald Trump

At noon Monday, Donald Trump will be the nation's leader once again as he and JD Vance are sworn in as president and vice president of the United States. **Inside this section:** A look at shifting logistics after the ceremony was moved indoors; Dan Balz on what to expect in a second term; Paul Kane on Midwest senators who were ready for the cold; Trump's Cabinet picks; key promises from the new president; a look back at the nation's commanders in chief; and more.
